CVSI FACTS

Population of items to be covered by this initial contract include approximately 700 DLA managed NSNs. Combat Vehicle Support Initiative (CVSI) is a award program to provide CONUS (Continental US) and OCONUS (Outside Continental US) logistical support throughout the entire supply chain for Land Based combat vehicle fleets worldwide.

COMBAT VEHICLE SUPPORT INITIATIVE (CVSI)

The Combat Vehicle Support Initiative (CVSI) concept capitalizes on the strengths of the Supply Chain Integrator and the Government to improve the supply chain processes while increasing both supply availability and parts reliability. The primary goal in this endeavor is to improve customer support at the user level, ensuring World Wide Military readiness in the process.
