

# Parts Standardization & Management Committee

---

## Introduction

3 November 2009

PSMC Military Co-Chair  
(Missile Defense Agency  
Redstone Arsenal, AL)

# Introduction

- "The PSMC is chartered by the Defense Standardization Program Office (DSPO) to advise the DSP
- in the development of policy, procedures, and guidance related to parts management,
  - to support the DSP in implementing such policy, procedures and guidance, and
  - to provide a standing forum for sharing parts management information and best practices."

November 2006, Charter
