Survey Analysis:	
<i>Surveys Completed</i>	29
<i>First time conference participants?</i>	3
<i>Was the subcommittee beneficial?</i>	23 yes
<i>Plan to attend the next conference?</i>	26 yes 3 undecided
<i>Was the conference beneficial?</i>	27 yes
<i>Recommend the PSMC to others?</i>	27 yes

Was the conference beneficial?

What did you enjoy the most?

- All participants said the conference was beneficial.
 - Networking with other parts professionals
 - Interaction between government and industry
 - Counterfeit Part presentations and breakout
 - Systems Engineering Organization briefing
 - Information Sharing about PM roadblocks/success stories
 - Convenient Location and Excellent Host (LMI)

Recommendations

- Solicit Program Management Level presentations
- Provide Subcommittee action and status reports to show progress
- Publish subcommittee agendas prior to conference.
- Announce next meeting location and dates during current mtg
- Utilize DPMP to upload speakers presentations and to solicit subcommittee agendas
- PSMC should present at SAE and NASC meetings
