

Parts Standardization & Management Committee

Introduction

30 October 2012

PSMC Leadership

DLA Land and Maritime
Fall PSMC 2012
Salt Lake City, UT

Introduction

The PSMC is chartered by the Defense Standardization Program Office (DSPO):

- to advise and support the DSP in the development and implementation of parts management policy, procedures, and guidance
- to implement parts management reengineering recommendations, and
- to provide a standing forum for sharing parts management information and best practices.

PSMC Charter, November 2006

PSMC Organization

- **Committee Chair:** The Director, DSPO or an individual designated by the Director serves as the Committee Chair

- **PSMC Advisory Group:** Composed of the Co-Leads, Subcommittee Chairs and Vice-Chairs
